FINANCIAL POLICY

To our Valued Patients

Today in our world of rising prices we are trying to keep our fee increases to a minimum by implementing new payment policies. This will help reduce our overhead, thus passing along the savings to our patients.

As in the past, and as a favor to you, we will continue to file your Insurance Claims. Our office will be implementing the following payment policies.

1. Patients that do not have Dental Insurance will be required to pay **ALL FEES IN FULL AT THE TIME SERVICES ARE RENDERED.**
2. Patients having Dental Insurance will be required to pay their **DEDUCTIBLE** and **ESTIMATED PORTION** of the fees at the time services are rendered. You will also be responsible for any balance remaining after the Insurance Co. has paid the claim.
3. **A 5% Professional Discount**
To be eligible for the 5% discount, all fees must be paid in **full** on the day of service with check, cash, Master card, Visa or Discover card.
4. While the filing of Insurance claims is a courtesy that we extend to our patients, **WE MUST EMPHASIZE** that as dental care providers, our relationship is with the patient, not with the Insurance Co. If we do not receive payment from your insurance company within 60 (sixty) days, payment becomes your responsibility.
5. Your appointment time in this office is reserved just for you, because you are important to us. As a courtesy we will contact you via text or voice 4 days and 24 hours before your appointment using the phone numbers you have provided us, either land line or mobile. **A \$35 (thirty-five) fee will be charged for any appointment canceled or rescheduled without one working days notice.** Please help us to avoid charging this fee by keeping your scheduled appointment.

I have read the above policies and agree to abide by them.
